

Designated Safeguarding Leads

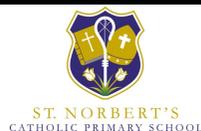

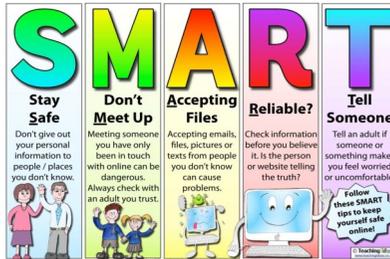

Our designated lead for safeguarding is **Mrs Withers** – this means that Mrs Withers has the main responsibility for making sure you are healthy, safe and happy. If you need to talk we will listen. **You can talk to any adult in school**, but there are some staff who help Mrs Withers to make sure you are safe and well cared for.

Article 14: Every child has the right to believe what they want and also practise their religion, as long as they are not stopping other people from enjoying their rights.

What is safeguarding about?

All the adults around you think that your health, safety and welfare are very important; in our school we respect our children and help to protect their rights.

We do our best to provide a safe and secure environment for you to learn and progress.

We help to make sure that you remain safe at home, as well as at school.

We teach children how to recognise risk in different situations and how to protect themselves and stay safe.

We have created this policy to help you decide what could be a problem and where

Bullying

Bullying can happen anywhere at anytime to anyone. Bullying is when someone picks on someone else over and over again.

Bullies want to hurt the other person physically and emotionally repeatedly over time.

Several

Times

Presents

Gifts are a good thing to receive but you should not take gifts without checking with your parents first. If it doesn't seem right

Touching You

Your body belongs to you and no one else. If you do not like the way someone has touched you, you must tell a

Physical injury

If an adult or another child hurts you physically by hitting, punching, smacking, biting or kicking you, a teacher /parent/carer or trusted adult must be told straight away so they can help.

On the computer or your phone

It is important to keep yourself safe on your computer, games console, tablet or phone. If you are unhappy with comments or images you receive, report this to an adult.
