

PSHE Curriculum

Some aspects of PSHE are taught in a cross curricular way through subjects such as: RE, PE, RSE, and Science. As well as through the Catholic Life and Prayer Life of the school. However it is essential that all aspects of the PSHE curriculum are taught. Objectives have been split into topic areas and mapped out on the Long Term Plan. Below is a guide to the topic areas on the plan and the core objectives that need to be covered, appropriate to the age and stage of the children.

Key Stage 1

YEAR 1	YEAR 2
TEAM (Together Everyone Achieves More)	TEAM (Together Everyone Achieves More)
R21. about what is kind and unkind behaviour, and how this can affect others R22. about how to treat themselves and others with respect; how to be polite and courteous R23. to recognise the ways in which they are the same and different to others R24. how to listen to other people and play and work cooperatively R25. how to talk about and share their opinions on things that matter to them	R10. that bodies and feelings can be hurt by words and actions; that people can say hurtful things online R11. about how people may feel if they experience hurtful behaviour or bullying R12. that hurtful behaviour (offline and online) including teasing, name-calling, bullying and deliberately excluding others is not acceptable; how to report bullying; the importance of telling a trusted adult
DENTAL CARE AND HYGIENE	MEDICINES
H7. about dental care and visiting the dentist; how to brush teeth correctly; food and drink that support dental health H1. about what keeping healthy means; different ways to keep healthy H2. about foods that support good health and the risks of eating too much sugar H3. about how physical activity helps us to stay healthy; and ways to be	H4. about why sleep is important and different ways to rest and relax H5. simple hygiene routines that can stop germs from spreading H6. that medicines (including vaccinations and immunisations and those that support allergic reactions) can help people to stay healthy H8. how to keep safe in the sun and protect skin from sun damage H9. about different ways to learn and

physically active everyday	<p>play; recognising the importance of knowing when to take a break from time online or TV</p> <p>H10. about the people who help us to stay physically healthy</p> <p>H37. about things that people can put into their body or on their skin; how these can affect how people feel</p>
DIGITAL WELLBEING AND SAFE RELATIONSHIPS	MANAGING THOUGHTS AND FEELINGS
<p>R13. to recognise that some things are private and the importance of respecting privacy; that parts of their body covered by underwear are private</p> <p>R14. that sometimes people may behave differently online, including by pretending to be someone they are not</p> <p>R15. how to respond safely to adults they don't know</p> <p>R16. about how to respond if physical contact makes them feel uncomfortable or unsafe</p> <p>R17. about knowing there are situations when they should ask for permission and also when their permission should be sought</p> <p>R18. about the importance of not keeping adults' secrets (only happy surprises that others will find out about eventually)</p> <p>R19. basic techniques for resisting pressure to do something they don't want to do and which may make them unsafe</p> <p>R20. what to do if they feel unsafe or worried for themselves or others; who to ask for help and vocabulary</p>	<p>H17. about things that help people feel good (e.g. playing outside, doing things they enjoy, spending time with family, getting enough sleep)</p> <p>H18. different things they can do to manage big feelings, to help calm themselves down and/or change their mood when they don't feel good</p> <p>H19. to recognise when they need help with feelings; that it is important to ask for help with feelings; and how to ask for it</p> <p>H20. about change and loss (including death); to identify feelings associated with this; to recognise what helps people to feel better</p>

MONEY MATTERS	DIGITAL WELLBEING AND SAFER RELATIONSHIPS
<p>L10. what money is; forms that money comes in; that money comes from different sources</p> <p>L11. that people make different choices about how to save and spend money</p> <p>L12. about the difference between needs and wants; that sometimes people may not always be able to have the things they want</p> <p>L13. that money needs to be looked after; different ways of doing this</p>	<p>R17. about knowing there are situations when they should ask for permission and also when their permission should be sought</p> <p>R18. about the importance of not keeping adults' secrets (only happy surprises that others will find out about eventually)</p> <p>R19. basic techniques for resisting pressure to do something they don't want to do and which may make them unsafe</p> <p>R20. what to do if they feel unsafe or worried for themselves or others; who to ask for help and vocabulary to use when asking for help; importance of keeping trying until they are heard</p>
DIVERSITY- BRITAIN (LOCAL)	MONEY MATTERS
<p>L4. about the different groups they belong to</p> <p>L5. about the different roles and responsibilities people have in their community</p> <p>L6. to recognise the ways they are the same as, and different to, other people</p>	<p>L10. what money is; forms that money comes in; that money comes from different sources</p> <p>L11. that people make different choices about how to save and spend money</p> <p>L12. about the difference between needs and wants; that sometimes people may not always be able to have the things they want</p> <p>L13. that money needs to be looked after; different ways of doing this</p>
THINKING POSITIVE	DIVERSITY- GLOBAL
<p>H11. about different feelings that humans can experience</p> <p>H12. how to recognise and name different feelings</p>	<p>L5. about the different roles and responsibilities people have in their community</p> <p>L6. to recognise the ways they are the</p>

<p>H13. how feelings can affect people's bodies and how they behave</p> <p>H14. how to recognise what others might be feeling</p> <p>H15. to recognise that not everyone feels the same at the same time, or feels the same about the same things</p> <p>H16. about ways of sharing feelings; a range of words to describe feelings</p>	<p>same as, and different to, other people</p>
	<p>KEEPING SAFE</p>
	<p>H28. about rules and age restrictions that keep us safe</p> <p>H29. to recognise risk in simple everyday situations and what action to take to minimise harm</p> <p>H30. about how to keep safe at home (including around electrical appliances) and fire safety (e.g. not playing with matches and lighters)</p> <p>H31. that household products (including medicines) can be harmful if not used correctly</p> <p>H32. ways to keep safe in familiar and unfamiliar environments (e.g. beach, shopping centre, park, swimming pool, on the street) and how to cross the road safely</p> <p>H33. about the people whose job it is to help keep us safe</p> <p>H34. basic rules to keep safe online, including what is meant by personal information and what should be kept private; the importance of telling a trusted adult if they come across something that scares them</p> <p>H35. about what to do if there is an accident and someone is hurt</p>

	H36. how to get help in an emergency (how to dial 999 and what to say)
--	---

Lower Key Stage 2

YEAR 3	YEAR 4
TEAM (Together Everyone Achieves More)	MANAGING BEHAVIOUR AND RELATIONSHIPS
<p>R30. that personal behaviour can affect other people; to recognise and model respectful behaviour online</p> <p>R31. to recognise the importance of self-respect and how this can affect their thoughts and feelings about themselves; that everyone, including them, should expect to be treated politely and with respect by others (including when online and/or anonymous) in school and in wider society; strategies to improve or support courteous, respectful relationships</p> <p>R32. about respecting the differences and similarities between people and recognising what they have in common with others e.g. physically, in personality or background</p> <p>R33. to listen and respond respectfully to a wide range of people, including those whose traditions, beliefs and lifestyle are different to their own</p> <p>R34. how to discuss and debate topical issues, respect other people's point of view and constructively challenge those they disagree with</p>	<p>R1. to recognise that there are different types of relationships (e.g. friendships, family relationships, romantic relationships, online relationships)</p> <p>R2. that people may be attracted to someone emotionally, romantically and sexually; that people may be attracted to someone of the same sex or different sex to them; that gender identity and sexual orientation are different</p> <p>R3. about marriage and civil partnership as a legal declaration of commitment made by two adults who love and care for each other, which is intended to be lifelong</p> <p>R4. that forcing anyone to marry against their will is a crime; that help and support is available to people who are worried about this for themselves or others</p> <p>R5. that people who love and care for each other can be in a committed relationship (e.g. marriage), living together, but may also live apart</p> <p>R6. that a feature of positive family life is caring relationships; about the different ways in which people care for one another</p> <p>R7. to recognise and respect that there are different types of family structure (including single parents, same-sex parents, step-parents,</p>

	<p>blended families, foster parents); that families of all types can give family members love, security and stability</p> <p>R8. to recognise other shared characteristics of healthy family life, including commitment, care, spending time together; being there for each other in times of difficulty</p> <p>R9. how to recognise if family relationships are making them feel unhappy or unsafe, and how to seek help or advice</p> <p>R19. about the impact of bullying, including offline and online, and the consequences of hurtful behaviour</p> <p>R20. strategies to respond to hurtful behaviour experienced or witnessed, offline and online (including teasing, name-calling, bullying, trolling, harassment or the deliberate excluding of others); how to report concerns and get support</p>
SHARED RESPONSIBILITIES	KEEPING SAFE
<p>L1. to recognise reasons for rules and laws; consequences of not adhering to rules and laws</p> <p>L2. to recognise there are human rights, that are there to protect everyone</p> <p>L3. about the relationship between rights and responsibilities</p> <p>L4. the importance of having compassion towards others; shared responsibilities we all have for caring for other people and living things; how to show care and concern for others</p> <p>L5. ways of carrying out shared</p>	<p>H37. reasons for following and complying with regulations and restrictions (including age restrictions); how they promote personal safety and wellbeing with reference to social media, television programmes, films, games and online gaming</p> <p>H38. how to predict, assess and manage risk in different situations</p> <p>H39. about hazards (including fire risks) that may cause harm, injury or risk in the home and what they can do to reduce risks and keep safe</p> <p>H40. about the importance of taking</p>

responsibilities for protecting the environment in school and at home; how everyday choices can affect the environment (e.g. reducing, reusing, recycling; food choices)	<p>medicines correctly and using household products safely, (e.g. following instructions carefully)</p> <p>H41. strategies for keeping safe in the local environment or unfamiliar places (rail, water, road) and firework safety; safe use of digital devices when out and about</p> <p>H42. about the importance of keeping personal information private; strategies for keeping safe online, including how to manage requests for personal information or images of themselves and others; what to do if frightened or worried by something seen or read online and how to report concerns, inappropriate content and contact</p> <p>H43. about what is meant by first aid; basic techniques for dealing with common injuries</p> <p>H44. how to respond and react in an emergency situation; how to identify situations that may require the emergency services; know how to contact them and what to say</p>
DIGITAL WELLBEING	HEALTHY BODIES
<p>R22. about privacy and personal boundaries; what is appropriate in friendships and wider relationships (including online);</p> <p>R23. about why someone may behave differently online, including pretending to be someone they are not; strategies for recognising risks, harmful content and contact; how to report concerns</p> <p>R24. how to respond safely and appropriately to adults they may</p>	<p>H1. how to make informed decisions about health</p> <p>H2. about the elements of a balanced, healthy lifestyle</p> <p>H3. about choices that support a healthy lifestyle, and recognise what might influence these</p> <p>H4. how to recognise that habits can have both positive and negative effects on a healthy lifestyle</p> <p>H5. about what good physical health</p>

<p>encounter (in all contexts including online) whom they do not know</p> <p>R25. recognise different types of physical contact; what is acceptable and unacceptable; strategies to respond to unwanted physical contact</p> <p>R26. about seeking and giving permission (consent) in different situations</p> <p>R27. about keeping something confidential or secret, when this should (e.g. a birthday surprise that others will find out about) or should not be agreed to, and when it is right to break a confidence or share a secret</p> <p>R28. how to recognise pressure from others to do something unsafe or that makes them feel uncomfortable and strategies for managing this</p> <p>R29. where to get advice and report concerns if worried about their own or someone else's personal safety (including online)</p>	<p>means; how to recognise early signs of physical illness</p> <p>H6. about what constitutes a healthy diet; how to plan healthy meals; benefits to health and wellbeing of eating nutritionally rich foods; risks associated with not eating a healthy diet including obesity and tooth decay.</p> <p>H7. how regular (daily/weekly) exercise benefits mental and physical health (e.g. walking or cycling to school, daily active mile); recognise opportunities to be physically active and some of the risks associated with an inactive lifestyle</p> <p>H8. about how sleep contributes to a healthy lifestyle; routines that support good quality sleep; the effects of lack of sleep on the body, feelings, behaviour and ability to learn</p> <p>H9. that bacteria and viruses can affect health; how everyday hygiene routines can limit the spread of infection; the wider importance of personal hygiene and how to maintain it</p> <p>H10. how medicines, when used responsibly, contribute to health; that some diseases can be prevented by vaccinations and immunisations; how allergies can be managed</p>
POSITIVE THINKING	UNDERSTANDING MONEY
<p>H15. that mental health, just like physical health, is part of daily life; the importance of taking care of mental health</p> <p>H16. about strategies and behaviours that support mental health — including how good quality sleep, physical</p>	<p>L17. about the different ways to pay for things and the choices people have about this</p> <p>L18. to recognise that people have different attitudes towards saving and spending money; what influences people's decisions; what makes</p>

<p>exercise/time outdoors, being involved in community groups, doing things for others, clubs, and activities, hobbies and spending time with family and friends can support mental health and wellbeing</p> <p>H17. to recognise that feelings can change over time and range in intensity</p> <p>H18. about everyday things that affect feelings and the importance of expressing feelings</p> <p>H19. a varied vocabulary to use when talking about feelings; about how to express feelings in different ways;</p> <p>H20. strategies to respond to feelings, including intense or conflicting feelings; how to manage and respond to feelings appropriately and proportionately in different situations</p> <p>H21. to recognise warning signs about mental health and wellbeing and how to seek support for themselves and others</p>	<p>something 'good value for money'</p> <p>L19. that people's spending decisions can affect others and the environment (e.g. Fair trade, buying single-use plastics, or giving to charity)</p> <p>L20. to recognise that people make spending decisions based on priorities, needs and wants</p> <p>L21. different ways to keep track of money</p> <p>L22. about risks associated with money (e.g. money can be won, lost or stolen) and ways of keeping money safe</p>
ASPIRATIONS	DIGITAL WELLBEING
<p>L25. to recognise positive things about themselves and their achievements; set goals to help achieve personal outcomes</p> <p>L26. that there is a broad range of different jobs/careers that people can have; that people often have more than one career/type of job during their life</p> <p>L27. about stereotypes in the workplace and that a person's career aspirations should not be limited by them</p> <p>L28. about what might influence</p>	<p>R22. about privacy and personal boundaries; what is appropriate in friendships and wider relationships (including online);</p> <p>R23. about why someone may behave differently online, including pretending to be someone they are not; strategies for recognising risks, harmful content and contact; how to report concerns</p> <p>R24. how to respond safely and appropriately to adults they may encounter (in all contexts including online) whom they do not know</p> <p>R25. recognise different types of</p>

<p>people's decisions about a job or career (e.g. personal interests and values, family connections to certain trades or businesses, strengths and qualities, ways in which stereotypical assumptions can deter people from aspiring to certain jobs)</p> <p>L29. that some jobs are paid more than others and money is one factor which may influence a person's job or career choice; that people may choose to do voluntary work which is unpaid</p> <p>L30. about some of the skills that will help them in their future careers e.g. teamwork, communication and negotiation</p> <p>L31. to identify the kind of job that they might like to do when they are older</p> <p>L32. to recognise a variety of routes into careers (e.g. college, apprenticeship, university)</p>	<p>physical contact; what is acceptable and unacceptable; strategies to respond to unwanted physical contact</p> <p>R26. about seeking and giving permission (consent) in different situations</p> <p>R27. about keeping something confidential or secret, when this should (e.g. a birthday surprise that others will find out about) or should not be agreed to, and when it is right to break a confidence or share a secret</p> <p>R28. how to recognise pressure from others to do something unsafe or that makes them feel uncomfortable and strategies for managing this</p> <p>R29. where to get advice and report concerns if worried about their own or someone else's personal safety (including online)</p>
---	---

Upper Key Stage 2

Year 5	Year 6
TEAM (Together Everyone Achieves More)	MANAGING BEHAVIOUR AND RELATIONSHIPS
<p>R30. that personal behaviour can affect other people; to recognise and model respectful behaviour online</p> <p>R31. to recognise the importance of self-respect and how this can affect their thoughts and feelings about themselves; that everyone, including them, should expect to be treated politely and with respect by others (including when online and/or anonymous) in school and in wider society; strategies to improve or support courteous, respectful relationships</p> <p>R32. about respecting the differences and similarities between people and recognising what they have in common with others e.g. physically, in personality or background</p> <p>R33. to listen and respond respectfully to a wide range of people, including those whose traditions, beliefs and lifestyle are different to their own</p> <p>R34. how to discuss and debate topical issues, respect other people's point of view and constructively challenge those they disagree with</p>	<p>R1. to recognise that there are different types of relationships (e.g. friendships, family relationships, romantic relationships, online relationships)</p> <p>R2. that people may be attracted to someone emotionally, romantically and sexually; that people may be attracted to someone of the same sex or different sex to them; that gender identity and sexual orientation are different</p> <p>R3. about marriage and civil partnership as a legal declaration of commitment made by two adults who love and care for each other, which is intended to be lifelong</p> <p>R4. that forcing anyone to marry against their will is a crime; that help and support is available to people who are worried about this for themselves or others</p> <p>R5. that people who love and care for each other can be in a committed relationship (e.g. marriage), living together, but may also live apart</p> <p>R6. that a feature of positive family life is caring relationships; about the different ways in which people care for one another</p> <p>R7. to recognise and respect that there are different types of family structure (including single parents, same-sex parents, step-parents,</p>

	<p>blended families, foster parents); that families of all types can give family members love, security and stability</p> <p>R8. to recognise other shared characteristics of healthy family life, including commitment, care, spending time together; being there for each other in times of difficulty</p> <p>R9. how to recognise if family relationships are making them feel unhappy or unsafe, and how to seek help or advice</p> <p>R19. about the impact of bullying, including offline and online, and the consequences of hurtful behaviour</p> <p>R20. strategies to respond to hurtful behaviour experienced or witnessed, offline and online (including teasing, name-calling, bullying, trolling, harassment or the deliberate excluding of others); how to report concerns and get support</p> <p>R21. about discrimination: what it means and how to challenge it</p>
MANAGING THOUGHTS AND FEELINGS	KEEPING SAFE
<p>H15. that mental health, just like physical health, is part of daily life; the importance of taking care of mental health</p> <p>H16. about strategies and behaviours that support mental health — including how good quality sleep, physical exercise/time outdoors, being involved in community groups, doing things for others, clubs, and activities, hobbies and spending time with family and</p>	<p>H37. reasons for following and complying with regulations and restrictions (including age restrictions); how they promote personal safety and wellbeing with reference to social media, television programmes, films, games and online gaming</p> <p>H38. how to predict, assess and manage risk in different situations</p> <p>H39. about hazards (including fire</p>

<p>friends can support mental health and wellbeing</p> <p>H17. to recognise that feelings can change over time and range in intensity</p> <p>H18. about everyday things that affect feelings and the importance of expressing feelings</p> <p>H19. a varied vocabulary to use when talking about feelings; about how to express feelings in different ways;</p> <p>H20. strategies to respond to feelings, including intense or conflicting feelings; how to manage and respond to feelings appropriately and proportionately in different situations</p> <p>H21. to recognise warning signs about mental health and wellbeing and how to seek support for themselves and others</p> <p>H22. to recognise that anyone can experience mental ill health; that most difficulties can be resolved with help and support; and that it is important to discuss feelings with a trusted adult</p> <p>H23. about change and loss, including death, and how these can affect feelings; ways of expressing and managing grief and bereavement</p> <p>H24. problem-solving strategies for dealing with emotions, challenges and change, including the transition to new schools</p>	<p>risks) that may cause harm, injury or risk in the home and what they can do to reduce risks and keep safe</p> <p>H40. about the importance of taking medicines correctly and using household products safely, (e.g. following instructions carefully)</p> <p>H41. strategies for keeping safe in the local environment or unfamiliar places (rail, water, road) and firework safety; safe use of digital devices when out and about</p> <p>H42. about the importance of keeping personal information private; strategies for keeping safe online, including how to manage requests for personal information or images of themselves and others; what to do if frightened or worried by something seen or read online and how to report concerns, inappropriate content and contact</p> <p>H43. about what is meant by first aid; basic techniques for dealing with common injuries</p> <p>H44. how to respond and react in an emergency situation; how to identify situations that may require the emergency services; know how to contact them and what to say</p> <p>H45. that female genital mutilation (FGM) is against British law, what to do and whom to tell if they think they or someone they know might be at risk</p>
DIGITAL WELLBEING	DIGITAL WELLBEING
L11. recognise ways in which the internet and social media can be used both positively and negatively	L11. recognise ways in which the internet and social media can be used both positively and negatively

<p>L12. how to assess the reliability of sources of information online; and how to make safe, reliable choices from search results</p> <p>L13. about some of the different ways information and data is shared and used online, including for commercial purposes</p> <p>L14. about how information on the internet is ranked, selected and targeted at specific individuals and groups; that connected devices can share information</p> <p>L15. recognise things appropriate to share and things that should not be shared on social media; rules surrounding distribution of images</p> <p>L16. about how text and images in the media and on social media can be manipulated or invented; strategies to evaluate the reliability of sources and identify misinformation</p>	<p>L12. how to assess the reliability of sources of information online; and how to make safe, reliable choices from search results</p> <p>L13. about some of the different ways information and data is shared and used online, including for commercial purposes</p> <p>L14. about how information on the internet is ranked, selected and targeted at specific individuals and groups; that connected devices can share information</p> <p>L15. recognise things appropriate to share and things that should not be shared on social media; rules surrounding distribution of images</p> <p>L16. about how text and images in the media and on social media can be manipulated or invented; strategies to evaluate the reliability of sources and identify misinformation</p>
COMMUNITIES	HEALTHY BODIES
<p>L6. about the different groups that make up their community; what living in a community means</p> <p>L7. to value the different contributions that people and groups make to the community</p> <p>L8. about diversity: what it means; the benefits of living in a diverse community; about valuing diversity within communities</p> <p>L9. about stereotypes; how they can negatively influence behaviours and attitudes towards others; strategies for challenging stereotypes</p> <p>L10. about prejudice; how to recognise</p>	<p>H1. how to make informed decisions about health</p> <p>H2. about the elements of a balanced, healthy lifestyle</p> <p>H3. about choices that support a healthy lifestyle, and recognise what might influence these</p> <p>H4. how to recognise that habits can have both positive and negative effects on a healthy lifestyle</p> <p>H5. about what good physical health means; how to recognise early signs of physical illness</p> <p>H6. about what constitutes a healthy diet; how to plan healthy meals;</p>

<p>behaviours/actions which discriminate</p>	<p>benefits to health and wellbeing of eating nutritionally rich foods; risks associated with not eating a healthy diet including obesity and tooth decay.</p> <p>H7. how regular (daily/weekly) exercise benefits mental and physical health (e.g. walking or cycling to school, daily active mile); recognise opportunities to be physically active and some of the risks associated with an inactive lifestyle</p> <p>H8. about how sleep contributes to a healthy lifestyle; routines that support good quality sleep; the effects of lack of sleep on the body, feelings, behaviour and ability to learn</p> <p>H9. that bacteria and viruses can affect health; how everyday hygiene routines can limit the spread of infection; the wider importance of personal hygiene and how to maintain it</p> <p>H10. how medicines, when used responsibly, contribute to health; that some diseases can be prevented by vaccinations and immunisations; how allergies can be managed</p> <p>H11. how to maintain good oral hygiene (including correct brushing and flossing); why regular visits to the dentist are essential; the impact of lifestyle choices on dental care (e.g. sugar consumption/acidic drinks such as fruit juices, smoothies and fruit teas; the effects of smoking)</p> <p>H12. about the benefits of sun exposure and risks of overexposure; how to keep safe from sun damage and sun/heat stroke and reduce the risk of</p>
--	---

	<p>skin cancer</p> <p>H13. about the benefits of the internet; the importance of balancing time online with other activities; strategies for managing time online</p> <p>H14. how and when to seek support, including which adults to speak to in and outside school, if they are worried about their health</p>
ASPIRATIONS	UNDERSTANDING MONEY
<p>L25. to recognise positive things about themselves and their achievements; set goals to help achieve personal outcomes</p> <p>L26. that there is a broad range of different jobs/careers that people can have; that people often have more than one career/type of job during their life</p> <p>L27. about stereotypes in the workplace and that a person's career aspirations should not be limited by them</p> <p>L28. about what might influence people's decisions about a job or career (e.g. personal interests and values, family connections to certain trades or businesses, strengths and qualities, ways in which stereotypical assumptions can deter people from aspiring to certain jobs)</p> <p>L29. that some jobs are paid more than others and money is one factor which may influence a person's job or career choice; that people may choose to do voluntary work which is unpaid</p> <p>L30. about some of the skills that will help them in their future careers e.g.</p>	<p>L17. about the different ways to pay for things and the choices people have about this</p> <p>L18. to recognise that people have different attitudes towards saving and spending money; what influences people's decisions; what makes something 'good value for money'</p> <p>L19. that people's spending decisions can affect others and the environment (e.g. Fair trade, buying single-use plastics, or giving to charity)</p> <p>L20. to recognise that people make spending decisions based on priorities, needs and wants</p> <p>L21. different ways to keep track of money</p> <p>L22. about risks associated with money (e.g. money can be won, lost or stolen) and ways of keeping money safe</p> <p>L23. about the risks involved in gambling; different ways money can be won or lost through gambling-related activities and their impact on health, wellbeing and future aspirations</p> <p>L24. to identify the ways that money can impact on people's feelings and emotions</p>

<p>teamwork, communication and negotiation</p> <p>L31. to identify the kind of job that they might like to do when they are older</p> <p>L32. to recognise a variety of routes into careers (e.g. college, apprenticeship, university)</p>
