Our mission is to include everyone and be a good descipt to one another. Also Our mission is telling us that we have to be a good Christian and love God just as God Loves you.

and also to show kindness because we need to show love to every body

What is our Mission?

As a school I think everyone shows our mission statement to love everyone and God each day.

Our mission is to treat others as if they are Jesus as in the Bible it says that whenever you do for my brothers and sisters you do for me.

I think our mission for our school is that we should work together and accomplish our school Mission Statement. +
