Article 12: You have the right to give your opinion and for adults to listen and take it seriously.

Our school is kind and loving,
what stands out is our Faith,
our Faith, in God, makes us diligent,
we love God, He teaches us how to live.
With God we can do anything,
He teaches us that with
belong, anything is possible

Everything stands out but most importantly, I think the school mission statement, brightness and garden stands out the most. I love everything here! ☺,
our school is respectful and very helpful and it's our home and it's amazing and we learn alot here.

What stands out at our school?

All of us make our school stand out by being ambassadors for our school

We are all kind and loving and we will always look after each other.

The thing that stands out at our school is our singing and our learning skills as we sometimes get praise for our singing. Another thing that makes our school stand out is the way we always doing maths on Thursday during Maths we do another way to learn maths as some people do out in a group to do maths on the move which we call Maths with our P.F. skills.

the thing that stands out is that it is a loving and faithful school and always takes care of us when we get hurt or scared.
