

Miss Whyles' Recommended Reads!

"There is no such thing as a child who hates to read; there are only children who have not found the right book."

April 2024

The following list includes *only* books that I have personally read and would **fully** recommend to my classes. They all fall into the 5-7 age range so would be perfect for KS1. I have hard copies of practically all of these books so if you would like to borrow one, ask and I will see what I can do! Happy reading...

(Even though I loved reading all of these books, the books highlighted in grey are **HIGHLY** recommended!)

| Book Cover | Title | Author | A Brief Guide... |

|  | You Choose- Fairy Tales | Pippa Goodhart | Make up your very own fairy tale adventure where YOU CHOOSE what happens next! Which fairy tale hero would you like to be today? Where will you go on your fairy tale quest? And what fairy tale baddy would you least like to meet? |
|  | How to wash a Woolly Mammoth | Michelle Robinson | Does your woolly mammoth need a wash? It's not a very easy thing to do... Find out exactly how to wash your mammoth in this hilarious instruction manual - just remember don't get any soap in its eyes or it might escape up a tree! |
|  | Leave nothing but footprints | Caroline Nieuwenhuis | This Poem book takes you on an underwater adventure to meet all sorts of characters under the sea! Swimming around and having fun with new friends, one thing becomes clear.... There's too much plastic in our oceans! Something needs to be done. |
|  | I want my hat back | Jon Klassen | The story of a bear whose hat has gone. And he wants it back. Patiently and politely, he asks the animals he comes across, one by one, whether they have seen it. But just as it he begins to lose hope, a deer suddenly sparks the bear's memory and renews his search with a vengeance... Told completely in dialogue, this quirky, hilarious, read-aloud tale plays out in sly illustrations brimming with visual humour and winks at the reader who will be thrilled to be in on the joke. |
