

Miss Whyles' Recommended Reads!

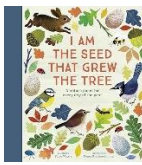

"There is no such thing as a child who hates to read; there are only children who have not found the right book."

Lent 2 2025

The following list includes *only* books that I have personally read and would **fully** recommend to my classes. They all fall into the 5-7 age range so would be perfect for KS1. I have hard copies of practically all of these books so if you would like to borrow one, ask and I will see what I can do! Happy reading...

(Even though I loved reading all of these books, the books highlighted in grey are **HIGHLY** recommended!)

Book Cover	Title	Author	A Brief Guide...
	The Emperor's Egg	Martin Jenkins	The Emperor penguin is the only large animal to remain on the Antarctic mainland throughout its bitterly inhospitable winter. Once the female has laid her egg, she heads back to the sea, leaving the male to incubate it. He then spends two months standing on the freezing cold ice with the egg on his feet! This is his story.
	Boogie Bear	David Walliams	Up at the North Pole, a big furry polar bear is swimming, fishing and eating. But when she nods off and finds herself far from home, she thinks things can't get any worse. But they can... Much worse!
	A Walk in London	Salvatore Rubbino	A wide-eyed girl and her mother explore London's busy streets and towering views in this child-friendly tribute to an incomparable city. London – the perfect place for a girl and her mother to spend the day! Follow them as they board the classic red bus and begin a whirlwind tour of some of London's most iconic landmarks.
	I am the seed that grew the tree	Fiona Waters	A nature lover's collection of poems, to be enjoyed during the sprout of spring, on a hot summer day, a mild autumn afternoon, or on a cold, rainy winter evening. No matter your favourite time of year, this collection has the nature poem for the whole family to enjoy together, whatever the weather.
