

YEAR 3 NEWSLETTER

PENT 1

Home Learning

Weekly spellings and homework will be printed and handed out to children every Friday. Please encourage your child to undertake 10 minutes per evening as to complete by the following Wednesday. Homework is related to work being undertaken in the classroom.

Children are encouraged to complete their homework and return it to the school the following Wednesday. If you have any questions, please do not hesitate to chat with me.

The children are encouraged to read a little each evening to an adult or sibling to support their development and skills.

Article 31: You have the right to play and rest.

Dear Parents/Carers,

Welcome back, I hope you have all enjoyed the rest and the children are ready for another fantastic term of learning.

Our topics for this term are: **Geography** –We are looking at the Water cycle and the effects water has on our planet. **Science** – We are looking at Light and Dark. **Art** – We are looking at Mosaics and their designs. **MFL** – We are looking at French transport. Our PE days are on Wednesday and Friday. Please ensure your child has full PE kit for those days and all jewelry is removed. Please don't hesitate to contact the school office if you have any queries. Children are to come to school in their winter PE kits on these days. Weather permitting some activities may take place outside so please ensure that your child has their full PE kit including a sweatshirt/jumper etc. Tracksuit bottoms, shorts, trainers all labelled. Many thanks.

RE – Our Topic for this term is "To the ends of the Earth".

To the End of the Earth

I am sure that you will agree this is another exciting term.

"Children are more than we think they are; they can do more than we think they can do. All they need is a vote of confidence from grownups, whom they will ultimately replace anyway. Their dream today will become the realities of tomorrow." – Wess Stafford
