

# Mrs Franklin's Recommended Reads!

*"There is no such thing as a child who hates to read; there are only children who have not found the right book."*

The following list includes *only* books that I have personally read and would **fully** recommend to my classes. They all fall into the 8-9 age range so would be perfect for Year 3. I have hard copies of practically all of these books so if you would like to borrow one, ask and I will see what I can do! Happy reading...

(Even though I loved reading all of these books, the books highlighted in grey are **HIGHLY** recommended!)
