

EYFS Recommended Reads!

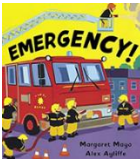

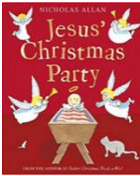

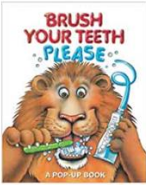

"There is no such thing as a child who hates to read; there are only children who have not found the right book."

UPDATED: November 2025

The following list includes *only* books that I have personally read and would **fully** recommend to my classes. They all fall into the 4-5 age range so would be perfect for EYFS. I have hard copies of practically all of these books so if you would like to borrow one, ask and I will see what I can do! Happy reading...

(Even though I loved reading all of these books, the books highlighted in grey are **HIGHLY** recommended!)

Book Cover	Title	Author	A Brief Guide...
	Heroes who Help Us from around the World!	Liz Gogerly	Think of a person who does a heroic job. Perhaps you're thinking of a firefighter who puts out burning buildings, or a doctor who makes sick people better? These people are definitely heroes, but our world is full of lots of amazing people whose job it is to help us. From park rangers to police officers and from librarians to lifeguards, the heroes who help us are everywhere! Perfect for children aged 5+ who are learning about values and citizenship and for curious minds eager to find out a little more about the amazing people in our world.
	Emergency!	Margaret Mayo	Discover a different emergency vehicle on each page, from fire engines and police cars to lifeboats, breakdown trucks, rescue helicopters and more. With bright, bold illustrations and fun, rhyming text. Children will love spotting all the details on each page and joining in with all the different sounds; as speeding ambulances 'wheee-ow' and police cars 'vrooom'!
	Jesus' Christmas Party	Nicholas Allan	The story is told from the point of view of the grumpy innkeeper. When a night of angels, shepherds and bright stars keeps him from his sleep, is there anything that will cheer him up?

	Brush your teeth Please	Jean Pidgeon	Learn about proper dental hygiene in this delightful pop-up book. What child can resist imitating a chimp brushing its teeth back and forth? Or a shark that flosses every day? A great one to encourage teeth brushing twice a day!
